Dear CPC members,

The Conservation Commission would like to offer their support for the purchase of the Mirarchi Family Property, behind 241 Country Way for open space and passive recreation. This property abuts the Town of Scituate reservoir and provides protection for our town's drinking water.

In keeping with the Commission's goals and objectives, we would like CPC to recommend this property for purchase at the Spring town meeting.

Sincerely,

A handwritten signature in black ink, appearing to be "John A. ...", is written over the word "Sincerely,". The signature is stylized and somewhat illegible.
